# SOUTH SHORE WINE COMPANY

**South Shore Wine Company** is located in the Lake Erie AVA, historically known for sparkling wine production in the 1700 and 1800's. South Shore Wine Company proudly carries on this effervescent tradition with a bevy of bubbly bottles produced in a variety of methods from traditional to contemporary to experimental, in its celebratory Coupe Collection.

In addition to their sparkling varieties, South Shore Wine Company touts a collection of interesting and emerging grape varietals that have impressed and delighted wine lovers near and far.
